Secretary's Report

The March meeting of the Wellesley ARS was held on Tuesday, March 5th at 7:30 PM in the Club Room. Due to the absense of Prexy Cannell, Our Elected Vice President, Doc. Bill Emerson served as moderator. Unfortunately, our featured speaker, John Mack was called out of town at the last moment.

Jack Rathmel, Treasurer reported that the Club now has $87.90 in the Treasury.

Many thanks go to those who contributed to the general discussion that followed. Pam Rathmel told us about the National Traffic System which meets on 80 meters starting at 7:30 PM. The membershipwas encouraged to enter into these nets. There is also a Novice net starting at 6:30 PM, For further information see Pam.

Doc. Bill Emerson is laying plans for Field Day for the weekend of June 23rd. Please check with him on this.

In March a special emergency meeting was called for all those who could be reached by phone. The purpose of this meeting was to discuss the future of the Club and how we could plan and prepare for an active and alive future program. It was agreed that Club responsibilities should be delegated to several committees. The purpose of the general meeting tonight is to make plans for next years program., and to perhaps todiscuss who will assume leadership of the Club next year.

respectfully submitted,

Walt Lenk.
